

Brain Support Network presents

Dementia and Alzheimer's Caregiver Conference

Saturday, November 14, 2015 • 8:30 a.m. – Noon

Jackson Theater, Sonoma Country Day School, 4400 Day School Place, Santa Rosa

This FREE event for caregivers will review the spectrum of dementia diseases (e.g. Alzheimer's, Lewy Body Dementia). Presenters will share techniques for quality care and quality of life for their loved ones.

Redwood Caregiver Resource Center (800-834-1636) will make respite care available for caregivers who wish to attend the conference. Requests for respite must be made by November 6th.

- Opening Presentation: **Understanding the Spectrum of Dementia and Brain Health Research Update**
Alireza Atri, MD, PhD — Ray Dolby Endowed Chair in Brain Health Research, Director, Research & Education, Senior Scientist, California Pacific Medical Center Research Institute
- Panel of Speakers: **Navigating the Challenge of Care with Experts in the Field**
- **Parallels of Dementia and Improv**
Mick Laugs — Actor and Facilitator
- Closing Presentation: **Creating Moments of Joy**
Esther Koch — Aging and Eldercare Advisor; Founder, Encore Management
