PSP/CBD Research Update and Family Conference

Saturday, October 28, 2017

Crowne Plaza Foster City - San Francisco Bay Area

1221 Chess Drive • Foster City, CA 94404

8am Registration and Continental Breakfast • 9am-5pm Speakers
Includes Lunch and Exhibitors • Parking is Free

Brain Support Network and the UCSF Memory and Aging Center are hosting a conference for families coping with:

- **Progressive Supranuclear Palsy (PSP) and**
- **Corticobasal Degeneration (CBD)**

This conference was made possible in part by generous support from Biogen.

The morning will feature international researchers in town for a major seminar on PSP, CBD, and tau.

The afternoon will feature local clinicians, healthcare professionals, and those on the PSP/CBD journey.

Questions? Contact Brain Support Network: conference@brainsupportnetwork.org or 650-814-0848
